

**Plymouth Property**  
**Update – January 29, 2007**

Received map of plotted easements for the title report on the 97 acres from Placer Title on January 23rd. See “Files” for updated timeline. Contacted Chuck Whitecotton, a mining specialist, to possibly review exception #7, which deals with "reservations, exceptions, stipulations and conditions as contained in the following patents issued by the United States of America", listed as A-J.

Received and signed proposal for initial civil engineering services from Gene Thorne & Associates. Signed proposal for both a Phase 1 and a Geotechnical Engineering Feasibility Study with Youngdahl Consulting Group. Received proposal from Sycamore Environmental for wetlands consulting.

Follow-up meeting with potential land planner, Jeffrey Demure, President of Jeffrey Demure & Associates, on February 13th
